# HISTORICAL TRUMPET DISCOGRAPHY

EDITED BY JOSEPH BOWMAN

## Acknowledgements

This Historical Trumpet Discography is a continuation of information gathered by a previous (unaccredited) Arizona State University (USA) Trumpet Repertoire Class. The author, or authors, of that older version were not known, but the editor is grateful for their efforts, which laid the foundation for this update. The editor and contributors make no claims at being all inclusive regarding this discography, but are presenting all the information available during the period of their research (June 2007 – February 2008).

The wonderful trumpet resource by Alvin Lowrey, the *International Trumpet Discography* (Camden House, 1991), continues to be a trumpet player's main resource for discography information before 1990. This project does not intend to list recordings of all literature available, but rather focuses on the major composers and important time periods in the development of the trumpet. This update attempts to use the major resources currently available online, to obtain any and all titles available related to a specific composer and time period.

This discography update was researched as the major project of the 2007 – 2009 trumpet repertoire class at the Mahi-

dol University College of Music under the instruction of Asst. Prof. Dr. Joseph Bowman. The Editor wishes to thank the members of that class, for their many contributions:

Surachet Chanoksakul, Wisit Chitrangsan, Pamornpan Komolpamorn, Lalita Nithisupa, Sompop Puengpreeda, Patcharee Preechaloesjarung, Kittisak Pundumrongkul

Layout and Formatting: Pamornpan Komolpamorn and Kittima Molee
